Dear Parents and Students,

Welcome to Lincoln Middle School! We look forward to working with all of you this fall. Your son/daughter has been placed on **Team Neon Green for the 2023 - 2024 school year**. We are hopeful and excited that we are headed for a regular start to our school year. The transition to middle school is an exciting, but nervous time. Staying positive, being patient, and working together, we will be able to lead your children to a smooth and enjoyable move to LMS. This will afford them with a multitude of opportunities for individual growth and maturity.

Please take a moment to log onto the Middle School website. Follow the link to our school website ([LMS](#)). You will find information regarding our back to school reentry. Please also take a look at our team website ([www.lmsneongreen.weebly.com](http://www.lmsneongreen.weebly.com)). There you will find notifications, information and links to specific class sites.

Email is the best way to contact the team teachers. For specific questions about core subjects, team emails are listed below. For all other team inquiries, our team leader is Matt Barboza.
